THIS CALENDAR IS DEDICATED TO THE REBBE.

The Lubavitcher Rebbe, Rabbi Menachem M. Schneersohn, of Righteous Memory

The Lubavitcher Rebbe OB" M devoted his life to bringing Jews closer to Judaism, sending Shluchim (emissaries) throughout the globe.

The Chabad - Lubavitch movement comprises more than 3,500 centers throughout the world and emphasizes Ahavat Yisrael, love for a fellow Jew and the importance of living a Jewish life.

The Rebbe's passionate and uncompromising love for every Jew is legendary. His insistence that all Jews are equal, regardless of background, affiliation, or level of observance; his love and devotion to the Land of Israel, and his love for G-d and Torah-are the beacons of truth and love that continue to guide and inspire us here at Chabad of the Five Towns and throughout the world.

Dear Friend,

We are pleased to present you with this year's distinctive Calendar. We hope that you find the information useful and pleasurable.

As Chabad of the Five Towns enters its fourteenth year, the significance of the number 14 comes to light as it shares the numeric value of the Hebrew word "Yad", meaning "hand". Extending a helping hand is the hallmark of Chabad. Throughout the coming year we look forward to doing so with increased vigor and scope—extending a hand to each and every individual, be it for counseling, study sessions, sick visits, or addressing their specific need; and extending a hand to the community at large, offering Jewish programming and education in a warm, open, non-judgmental environment. All are welcome at Chabad, as 'a Jew is a Jew is a Jew', regardless of background or affiliation.

This past year, with G-d's help, was packed with fun, exciting events and educational programs. The coming year will see, G-d willing, a greater expansion of activities throughout the entire Five Towns area.

I thank our family of supporters and I would like to invite you to partner with us as we continue to offer innovative and exciting activities and programs. We rely solely on community support! Your generous contribution enables our ongoing programming, so please take a moment to send a tax-deductible contribution. For your convenience a return envelope is enclosed. Remember, by helping the Chabad of the Five Towns you're helping your community. Together we can accomplish great things!

With best wishes for a Shana Tova, a happy & healthy sweet New Year. May we merit to greet Moshiach!

Sincerely

Rabbi Shneur Z. Wolowik

THE SHABBAT CANDLES

A married woman customarily lights two candles and may add an additional one for each of her children. An unmarried girl should light one candle in deference to her mother.

As soon as a young girl can understand the idea of the Shabbat and can say the blessing (approximately 3 years old) her parents should provide her with a candlestick and teach her to kindle the Shabbat candles. The young girl should light before her mother in case she needs assistance from her.

It is customary to put a few coins into a Tzedakah pushka (charity box) before lighting the candles. The correct time to light the Shabbat candles is 18 minutes before sunset every Friday. Young girls should light just prior to this time.

The Festival Candles

Just as candles are lit in honor of the Shabbat so are they lit in honor of the festivals.

Various blessings are recited on different festivals. See the chart Blessings for Festival Candle Lighting. Caution: When lighting after the onset of a festival, a preexisting flame must be used to light the candles since it is prohibited to create a new flame by striking a match or lighter, etc. However, it is permissible to use (or transfer fire from) a flame burning continuously since the onset of the festival, such as a pilot light, gas or candle flame.

Procedure for Lighting the Shabbat Candles

The woman (or young girl) lights the candles, then spreads her hands out around the candles, drawing her hands inward in a circular motion three times to indicate her acceptance of the sanctity of the Shabbat. She then covers her eyes and says the Blessing:

Bo-ruch A-toh Ado-noi E-lol-hei-nu Me-lech Ho-olom A-she-ri Ki-de-sho-nu Be-mitz-vo-sov Ve-tzi-vo-nu Le-had-lik Ner Shel Shabbos Ko-desh.

Blessed are You, L-rd, our G-d, King of the universe, who has hallowed us through His commandments, and has commanded us to kindle the light of the holy Shabbat. She then uncovers her eyes to behold the Shabbat Lights. The time of lighting is considered especially propitious to pray to G-d for health and happiness. The prayer is readily accepted because it is said during the performance of this great mitzvah of lighting the Shabbat Candles.

Caution: The candles must be lit before sunset. It is prohibited and is a desecration of the Shabbat to light the candles after sunset.

JUDAICA CIRCLE

The commitment to educating all children according to their needs is rooted in fundamental Jewish values. Judaica Circle takes place once a week on Tuesday nights for children with special needs. It is a place where they can feel safe and comfortable while embracing their Jewish roots. In a Hebrew School-like setting, the lessons are multi-sensory and hands-on. Our students will gain an appreciation for the joys, values and traditions of our heritage as they are vividly brought to life by their dedicated, enthusiastic teachers and volunteers.

SUNDAY CIRCLE

Is your child looking for a fun way to spend a Sunday afternoon? The Sunday Circle is a respite program held one Sunday a month. It enables children with special needs to be left in the hands of qualified professionals and loving volunteers. Each child is paired up with a teen friend, and together they enjoy Music and Movement, art, gym, and other fantastic activities. Each program has an exciting featured activity such as the animal farm or a moon bounce. It's social. It's lively. And it's fun.

FRIENDS @ HOME

How would your child like to spend time with his/her very own friend? This weekly program consists of teenage volunteers visiting with a child in the environment s/he is most comfortable in: their own home. The friends can enjoy a range of fun activities together such as baking, reading books, arts and crafts, and playing games. The opportunities for the pair to have a great time are endless - it's no wonder the children wait all week for the moment their friend turns up on their doorstep!

THE FRIENDSHIP CIRCLE

reaches out and extends a helping hand to families whose children have special needs and involves them in a full range of Jewish and social experiences. The Friendship Circle's unique formula introduces teenage volunteers to the children and through shared experiences both are enriched. The Friendship Circle is made up of five parts: the volunteers, children, parents, staff and supporters. The true beauty of the circle is how we all link together to form a seamless circle of friendship.

TRIP DAY

Volunteers and their friends will hop on a bus together for a day full of fun and excitement. Why not go out into the community and visit some interesting places, meet new people and learn new skills? Each trip will increase their independence and self-confidence while experiencing the world around us.

SUMMER AND WINTER CAMP

When summer and winter roll around, Friendship Circle members get real excited! What could be more fun than one of the greatest programs of the year, an action-packed, out-of-this-world, forever thrilling day camp, full of fun, friendship and entertainment? For this much anticipated camp, children are paired up with a loving volunteer to enjoy an experience that will last a lifetime.

MOMS NIGHT OUT

A special evening dedicated to the noble moms of the Friendship Circle, giving them an enjoyable and rejuvenating time. The Moms will undoubtedly enjoy a great evening of camaraderie, cuisine and creative concepts, and at the same time, relax, exchange ideas, network with other moms, and hear from helpful and informative speakers.

VOLUNTEER CLUB

Being a volunteer not only brings light into the life of a child but also into the life of the volunteers. Welcome to the Friendship Circle's vibrant Volunteer Club! Teens have the opportunity to meet others who are as giving, committed and fun as they are! The Friendship Circle rewards volunteers' altruism with a vigorous, 'round the year program of exhilarating social outings, rewards and activities just for them. The end of year Volunteer Recognition event is an evening to pay tribute to all dedicated and incredible volunteers. Teens can take pride in being part of this seamless circle of Friendship. It's cool to be kind!

SIB SHOP

Children who have a brother or sister with special needs have needs of their own. Sib shop gives an opportunity for sibling to get together and have a great time of their own. These gatherings offer the children a chance to express their feelings and build friendship in a safe and fun setting. Sib shops are geared to children ages 4-12 and run simultaneously to the Sunday Circle program. Siblings are also invited to participate in the Friends @ Home and Camp programs, with their own volunteer.
