This Calendar is Dedicated to the Rebbe

The Lubavitcher Rebbe, Rabbi Menachem M. Schneerson, OB" M devoted his life to bringing Jews closer to Judaism, sending Shluchim (emissaries) throughout the globe.

The Chabad-Lubavitch movement comprises more than 3,500 centers throughout the world and emphasizes Ahavat Yisrael, love for a fellow Jew and the importance of living a Jewish life.

The Rebbe's passionate and uncompromising love for every Jew is legendary. His insistence that all Jews are equal, regardless of background, affiliation, or level of observance; his love and devotion to the Land of Israel, and his love for G-d and Torah are the beacons of truth and love that continue to guide and inspire us here at Chabad the Five Towns and throughout the world.

Dear Friend,

We are pleased to present you with this year's distinctive Calendar. We hope this easy-to-read calendar will be useful to you, serve as an inspiration for the coming year and help you appreciate our rich heritage.

Within its pages you will find a month-to-month schedule of information on candle lighting times, a guide to the Jewish holidays and insight into our tradition, as well as a complete schedule of the much anticipated community events that take place frequently at the Chabad Center.

The Jean Fischman Chabad Center of the Five Towns is part of an international organization on the front lines of Jewish education. Chabad provides care, inspiration, hospitality and knowledge to people from all walks of life.

Under the guidance of the Lubavitcher Rebbe, Rabbi Menachem Mendel Schneerson OBM, the organization has made "Ahavat Yisrael" - Love of a fellow Jew - the driving force that gives it momentum. Acceptance of every Jew on their own level, regardless of their background, observance, age or financial status, has become the trademark of Chabad.

This past year was indeed a very exciting year for the Five Towns Community. Participation in all Chabad activities increased to unprecedented numbers. Thousands of Jews from across the entire spectrum of Jewish observance have been touched by one or more of our many programs.

After 16 years of servicing the entire Five Towns population with programming, education, and services for all ages, we saw a need to open a satellite Chabad Center in Hewlett to enhance Chabad's existing services in Hewlett. As such, we are now proud to have a Chabad of Hewlett division, as part of Chabad of the Five Towns, under the expert guidance of Rabbi Nochem and Rivkie Tenenboim.

Many people ask us, what makes Chabad so unique? What gives us the ability to reach out and create programs where every Jew, affiliated or unaffiliated, observant, or non-observant, feels comfortable? The answer is: our core belief.

We believe that every Jew is valuable. Every Jew counts. At Chabad the objective is to inspire every Jew to find more joy and meaning in their own personal observance of Judaism; in their personal connection to their Jewish heritage. Watch the excitement on the faces of the children who partake in our youth programs; ask the thousands who participate in our events, and you begin to feel an incredible sense of community.

We are thankful for what we have been able to accomplish in the community, however, along with success comes new and greater responsibilities and obligations. More people know of us, depend on us, need us. For the work of Chabad to continue with the strength and effort that is necessary, we need your help, and so do the many who must still rekindle their Judaism. Your support is vital!

Please, become our partner in the beautiful mitzvah of reaching out to our youth, college students, singles, families, children with special needs, hospital patients, senior citizens, unaffiliated Jews, those on the brink of assimilation, prison inmates and our children - our future. As Chabad is supported only by local individual contributions, it is your kind and generous support which allows us to continue our work in strengthening Jewish identity, pride and awareness.

Please open your heart and send your generous tax-deductible contribution in the enclosed envelope.

Remember, by helping the Chabad of the Five Towns, you're helping your community.

Together we can accomplish great things!

May the Almighty grant you and your family a healthy, happy and sweet New Year, and may you be inscribed in the Book of Life, Peace and Prosperity.

May we all merit to greet our righteous Moshiach, speedily, Amen!

Sincerely,

Rabbi Shneur Z. Wolowik

THE SHABBAT CANDLES

A married woman customarily lights two candles and may add an additional one for each of her children. An unmarried girl should light one candle in deference to her mother. As soon as a young girl can understand the idea of Shabbat and can say the blessing (approximately 3 years old) her parents should provide her with a candlestick and teach her to kindle the Shabbat candles. The young girl should light before her mother, in case she needs assistance from her.

It is customary to put a few coins into a Tzedakah pushka (charity box) before lighting the candles.

The correct time to light the Shabbat candles is 18 minutes before sunset every Friday. Young girls should light just prior to this time.

The Festival Candles

Just as candles are lit in honor of the Shabbat so too they are lit in honor of the festivals. Various blessings are recited on different festivals. See the chart below: Blessing for Festival Candle Lighting.

Caution: When lighting after the onset of a festival, a pre-existing flame must be used to light the candles since it is prohibited to create a new flame by striking a match or lighter, etc. However, it is permissible to use (or transfer fire from) a flame burning continuously since the onset of the festival, such as a pilot light, gas or candle flame.

Procedure for Lighting the Shabbat Candles

The women (or young girl) lights the candles, then spreads her hands out around the candles, drawing her hands inward in a circular motion three times to indicate her acceptance of the sanctity of the Shabbat. She then covers her eyes and says the Blessing:

nu Be-mitz-vo-sov Vi-tzi-vo-nu Le-had-lik Ner Shel Sha-bos Ko-desh. Bless are You, L-rd, our G-d, King of the universe, who has hallowed us through His commandments, and has commanded us to kindle the light of the holy Shabbat.

Boruch A-toh Ado-noi E-lo-hei-nu Melech Ho-olom A-sher Ki-de-sha-hold the Shabbat Lights. The time of lighting is considered especially propitious to pray to G-d for health and happiness. The prayer is readily accepted because it is said during the performance of this great mitzvah of lighting the Shabbat Candles.

Caution: The candles must be lit before Sunset. It is prohibited and is a desecration of the Shabbat to light the candles after sunset.
