Jewish **CALENDAR & PROGRAM GUIDE**

CHABAD OF THE FIVE TOWNS

This Calendar is Dedicated to the REBBE

The Lubavitcher Rebbe,
Rabbi Menachem M. Schneerson, OB" M
devoted his life to bringing Jews
closer to Judaism by sending Shluchim
(emissaries) throughout the globe.

The Chabad-Lubavitch movement
comprises more than 4,000 centers
throughout the world and emphasizes
Ahavat Yisrael, love for a fellow Jew, and
the importance of living a Jewish life.

The Rebbe's passionate and
uncompromising love for every Jew is
legendary. His insistence that all Jews
are equal, regardless of background,
affiliation, or level of observance, and
his love for G-d and Torah and devotion
to the Land of Israel, are the beacons of
truth and love that continue to guide
and inspire us here at Chabad of the Five
Towns and throughout the world.

Dear Friend,

A New Year is a time for new beginnings, refreshing, renewing, being reborn. In the coming year of 5782 this is felt even more strongly as we head into a “Shmita” or Sabbatical year, a year of agricultural rest in the Land of Israel. Just as we Jews live within the rhythm of the weekly cycle of six workdays and Shabbos, so does the seventh year act as a time of Shabbos-like rest and rejuvenation that gives us renewed strength to take on the world and make it a fitting dwelling place for Hashem.

As Jews all over the world head into this special Shabbos-like year, we invite our brothers and sisters here in the Five Towns to make the most of the special opportunities here in our own community. Why not consider making this year a special year where you take a break from some of your regular routine and immerse yourself in spiritual growth opportunities? To the extent you are ready to do it, we are here for you.

Hashem bless us, our community, our families, and all of the Jewish people with constant and never ending growth leading to the era of complete Shabbos-like rest with the coming of Moshiach.

Wishing our community a happy and healthy new year

Sincerely,

Rabbi Zalman & Chanie Wolowik

OUTSMARTING ANTISEMITISM

*It's hard to outrun it.
It's time to **outsmart it.***

AGAINST THE BACKDROP OF A RECENT
uptick in antisemitism and the increased
anxiety it has brought to the Jewish community,
this course sets out to beat this age-old
cancer—with purpose, positivity, and pride.
Marshaling historical analysis, Talmudic sources,
Jewish mysticism, and contemporary expert
analysis, the four lessons of this course provide
insight, perspective, practical direction, and
personal reassurance to motivate and inspire
proud, fearless Jewish life.

Jewish Meditation
Meditation. Mindfulness. Spirituality.

Judaism places great emphasis on action. As a result, many Jews are unaware of another important facet of the Jewish tradition: deeply meaningful teachings about mindfulness, spirituality, and meditative practices. This course advances the uniquely Jewish approaches to these fascinating topics. Whether you've practiced meditation before or not, this course will both inspire and practically guide you so that you can reap the benefits of a more spiritual and mindful life.
