Year of Hakhel 5783 / 2022-2023

CHABAD OF THE FIVE TOWNS

This Calendar is Dedicated to the REBBE

**The Lubavitcher Rebbe,
Rabbi Menachem M. Schneerson, OB"TM**

devoted his life to bringing Jews
closer to Judaism by sending Shluchim
[emissaries] throughout the globe.

The Chabad-Lubavitch movement
comprises more than 4,500 centers
throughout the world and emphasizes
Ahavat Yisrael, love for a fellow Jew, and
the importance of living a Jewish life.

The Rebbe's passionate and
uncompromising love for every Jew is
legendary. His insistence that all Jews
are equal, regardless of background,
affiliation, or level of observance, and
his love for G-d and Torah and devotion
to the Land of Israel, are the beacons of
truth and love that continue to guide
and inspire us here at Chabad of the Five
Towns and throughout the world.

Dear Friend

One of the great truths that has stood by our timeless people throughout the generations is that we are stronger together. When we became a nation by receiving the Torah at Sinai, we did so together. In the times of the Holy Temple, the entire Jewish nation would re-experience this unity by gathering in Jerusalem once every seven years at an event known as Hakhel and that entire year would be marked as a Hakhel year.

According to this seven-year cycle, this coming year, 5783, is a Hakhel year. We pray for the rebuilding of the Holy Temple and the ingathering of the exiles. But until that time, may it be speedily, we can keep the spirit of the Hakhel year by making gatherings of all kinds throughout the year.

As you look through this calendar, you will see the many gatherings that our scheduled for this coming year and we plan to announce even more gatherings. Because unity is always important but in a Hakhel year the theme of unity must permeate all of our activities.

We want to encourage you to take part in all of the wonderful opportunities to gather with us for prayer, for study, for good deeds, as well as coming together just for the sake of coming together. In the coming weeks we will also let you know more about how you can make gatherings of your own. The more gatherings the better.

May Hashem bless us all together with a good, sweet, happy, healthy new year.

My G-d Defining the Divine

Nothing is off-limits as this refreshingly open course asks piercing questions about G-d and delivers profound, insightful answers. An enlightening study into G-d's nature, G-d's goal for creation, human experiences of G-d, the role of religion, and the function of miracles and prayer, this course promises to satisfy your questions, including those you didn't know you had.

WELL-CONNECTED

It's not what you know.
It's what *you* do.

Monthly,
Beginning, November 30
8:00 PM

ChabadFiveTowns.com/RCS

What comes to mind when you think of religion? A way of looking at life, perhaps, a story about the world, or a way to pray? For many, a faith is a core set of beliefs surrounded by a little ceremony. For us, that's precisely backwards: Judaism is less a system of belief than a system of action.

But what's so inspiring about all those dreary dos and don'ts? *Well-Connected* will reveal the soul of Jewish ritual life by showing how to make each mitzvah personal, and a way to connect to something beyond ourselves. Each month, we put one area of Jewish law under the microscope and explore its rationale, relevance, and practical application. As we proceed, a complete vision of the mysticism, the beauty, and the richness of divinely inspired life will emerge.

COURSE OVERVIEW

1/ UNROLL THE SCROLL
Meet the little parchment keeping your home safe—and sacred.

2/ SOUL FOOD
Secrets of a spiritual diet.

3/ ENDLESSLY BLESSED
A Jewish mantra to transform the mundane into the magical.

4/ A SLICE OF LIFE
Never take bread for granted again.

5/ PRAY IT FORWARD
The uplifting, reflective, and often elusive art of prayer.

6/ THE KINDS OF KINDNESS
Being a better person—to other people.

7/ TO LIVE IN DEED
The rituals that mark our lives—and mold them too.

Book Smart

Course through Judaism's Most Important Titles, and the Authors Who Inscribed Them

A panoramic overview of 3000 years of Jewish learning, this course initiates you into the works that earned us the title, "The People of The Book." It introduces the books that shape Jewish life, covering Tanach Midrash, Talmud, Halachah, Philosophy, Kabbalah, Musar, Chasidism, and the influential personalities who drove thirty centuries of Jewish scholarship. Whether you're meeting these texts for the first time or a seasoned scholar, this course adds historical background to any Jew learning; you can reap the benefits of a more spiritual and mindful life.
