This Calendar is Dedicated to the REBBE

The Lubavitcher Rebbe, Rabbi Menachem M. Schneerson, OB" data-bbox="24 419 177 463"/>

devoted his life to bringing Jews closer to Judaism by sending Shluchim (emissaries) throughout the globe.

The Chabad-Lubavitch movement comprises more than 4,500 centers throughout the world and emphasizes Ahavat Yisrael, love for a fellow Jew, and the importance of living a Jewish life.

The Rebbe's passionate and uncompromising love for every Jew is legendary. His insistence that all Jews are equal, regardless of background, affiliation, or level of observance, and his love for G-d and Torah and devotion to the Land of Israel, are the beacons of truth and love that continue to guide and inspire us here at Chabad of the Five Towns and throughout the world.

Dear Friend,

As Chabad of the Five Towns celebrates our 30th anniversary, we reflect deeply on the theme of strength—as our Sages teach, "Ben shloshim l'koach"—at thirty one attains full strength (Ethics of the Fathers, 5:21).

This milestone is not merely a passage of time but a celebration of the enduring strength that has fortified our community over these decades. It is the strength of our faith, the unity of our community, and our steadfast commitment to Torah values that have sustained us through both challenges and celebrations. As the Lubavitcher Rebbe, Rabbi Menachem M. Schneerson, of righteous memory, taught us, our true strength derives from our staunch commitment to observance of the Torah and from living as proud Jews at all times and under all conditions.

This year, we launched a remarkable global Tefillin initiative, supported by generous anonymous donors, allowing 130 individuals worldwide to don Tefillin daily. If you know someone in need who is ready to commit to this daily mitzvah, please have them contact Chabad. Our community proudly leads one of the largest Friendship Circle programs in the country, providing invaluable support to children and young adults with special needs. For local children and families not yet attending Jewish schools, we offer numerous weekly programs through our outstanding Hebrew School and the many exciting CTeen programs.

We would also like to share with you that we are working diligently to maintain zoning to build the Chabad of the Five Towns campus which, with the help of the Almighty will enable Chabad to do so much more for our Five Towns community and beyond.

We extend our heartfelt thanks to the community for the financial support that has made all these achievements possible. Your generosity fuels our many activities and programs.

Furthermore, we are excited about the expanding opportunities for Torah learning. In addition to ongoing classes by our scholar in residence, Rabbi Shais Taub, we have introduced many new classes including a new weekly class every Wednesday at 8:00 PM in East Woodmere. "Whiskey and Wisdom," provides a relaxed environment to explore your questions about faith, tradition, and everyday life.

We are honored to share this beautiful calendar with you in solidarity with our brothers and sisters in the Holy Land of Israel and with profound gratitude to those who protect it. Every Jew is deeply connected to our homeland, no matter where they are. No matter where we are, we face Jerusalem when we pray.

As we usher in the Jewish year of 5785, we pray for peace in our Holy Land and the safety and security of our brothers and sisters in Israel and worldwide.

May G-d bless you with a happy, healthy, and sweet new year of 5785. May this calendar be filled with celebrations, joyous occasions, and memorable events.
